The Interest Rate is subject to change on the first day of the billing cycle monthly to reflect any change in the Index and will be determined by the Prime Rate as published in The Wall Street Journal "Money Rates" table on the 15th day of each month, to which we add a margin. If the 15th falls on a weekend, the Index value will be determined on the next business day. The rate will never be greater than the Rate Ceiling disclosed above. Any increase in the Interest Rate will take the form of additional payments shown as Total Minimum Payments on the statement.
